WHERE LEADERS ARE MADE

WHERE LEADERS ARE MADE

# Area 12 Contest Location Directions

**Directions coming in from east Texas:** take I-20 East heading towards Monroe. Use the far right lanes, take exit 19A and merge onto LA 1 South / Market St. As soon as you exit the off ramp to LA 1 South, get in the far left lane to merge onto LA 1 South (LA 1 South name changes to Youree Drive). Drive approximately 2 miles on LA 1 South / Youree Drive and turn left onto E Stoner Ave.

**Directions coming in from southwest Arkansas:** take I-49 South to Dr MLK Jr Blvd/State Hwy 3194' turn left. Then turn right on North Market Street / Hwy 1 South; drive 9.8 miles to E. Stoner Ave. Turn left on E. Stoner Ave and the VA Medical Center will be on the left.

**VAMC Directions:** You will see the main entrance of the hospital. The best way to enter after arriving to the VAMC is to turn left on the street before you reach the main entrance where the flag pole is located. You will see a new multi-story parking garage on your left designated on the map by a yellow circle; directly in front of the parking garage is a parking lot dedicated to handicap parking. Note the red asterisk (\*) on the map; enter here (glassed-in automatic entrance adjacent to the handicap parking). Upon entering the facility through this automatic door, the elevator will be on your left. Take the elevator to the 2<sup>nd</sup> floor; go left after you exit the elevator (you will see the Cafeteria). Turn left at the Cafeteria and then right. You will see the Education Wing directly in front of you (through the glass double doors).

For additional information, contact Corine Ambler, email: [ad12@d50tm.org](mailto:ad12@d50tm.org) or call 318/286-3908
