

TOASTMASTERS INTERNATIONAL
DISTRICT 50 SPRING CONFERENCE

MAKING CONNECTIONS MATTER

HALL OF FAME

MAY 15, 2021

Welcome and Appreciation

We hope you have enjoyed “Making Connections Matter,” the District 50 Spring 2021 Conference. As Chairs of this virtual Conference we truly appreciate all the people who have been involved in making it another successful District 50 Conference!

From the excitement and anticipation of the four District Contests to the education sessions, from the Area and Division Directors’ Reports to the inspiring Keynote Speakers, from the Annual Business Meeting and District Elections to the “After Hours” karaoke and the online Silent Auction, there has been so much for us all to be proud of in this first-class event.

Now we welcome you all to join us in celebrating the achievements of District 50 Toastmasters in the Spring 2021 Hall of Fame and DTM Ceremony. As we move to the International Speech Contest, we could be cheering a finalist or even the next World Champion of Public Speaking! We will take a step closer to the next Toastmasters year with the Installation of our 2021-2022 District Leaders.

Our experiences with online meetings and contests over the past year or so have made it possible to make new connections by visiting more clubs near and far while strengthening existing connections. Let’s be sure to make all those connections matter as we approach a changing world.

Yvonne Broach, DTM, and Alice Stewart, DTM
District 50 Spring 2021 Conference Chairs

Outstanding Club Officers

July 2020 – December 2020

Outstanding Sergeant At Arms

Steve Crews, DTM
Leadership Lambda

As SAA, Steve was on the front line of running the technology in our Zoom meetings. He implemented changes to streamline our virtual meetings including adding meeting roles to attendee names, and updating meeting roles to better align with new virtual format. He joined several other district clubs to purchase a license for a professional Zoom account that has added many more functions to enhance the virtual meeting experience. This required significant coordination and testing outside of our regular meeting times.

Steve was very vocal and supportive during board meetings. He always offers to help coach members with performing new meeting roles. Also, he was willing to step aside to allow newer members the chance to take on roles, so they can learn.

Steve signed onto Zoom 30 minutes before meeting start time each week to ensure that the meeting was ready for members and to allow time for socializing prior to start of meeting. Steve was always willing to tactfully offer suggestions when a newer member makes a mistake with their meeting role or if they are having technology issues. He helps maintain our solid but fun meeting environment. He attends monthly board meetings, takes meeting roles, and continues to work on his education.

Outstanding Secretary

Cynthia Lucas, DTM
Park Central Toastmasters

Cynthia Lucas is the first to volunteer to help the club and its members, whether within the club or District wide. She keeps minutes of all the meetings and sends out an email summary of each club meeting. She keeps the members informed of all the achievements of other members, and encourages members to strive for the next level. She represents Park Central by volunteering for roles in contests, and cheering on all contestants, spreading goodwill. Although Cynthia Lucas is the secretary, she helps other officers with their duties and researches information from the past to help with present questions about club matters.

Cynthia Lucas is known as a very positive person, who does not miss an opportunity to compliment someone on a job well done, and encourages all to aim for higher goals.

Outstanding Treasurer

**Mark Liberio, ACB, CL
Allen Toastmasters**

Mark has served as Treasurer for several years and has served as an officer for 10 continuous years. As part of Allen Toastmasters, moving first to an online club and now a hybrid club, he led the effort to enable payment via invoicing to provide an easier method for members to renew membership as well as pay dues to join the club. Mark's contributions allowed the club to renew 91% of the club as well as adding 6 new members since July. Outside of his Treasurer role, Mark has been part of a group that sets up the technology each week for in-person attendance and provided his audio visual expertise to the club's benefit.

Mark serves as a Treasurer, but the club relies on his experience as a Toastmaster and his expertise in serving as a leader in many roles. Mark has also played a significant role in the club successfully transitioning from an online club to a hybrid club.

Outstanding Vice President Public Relations, Community Clubs

**Mark Schroeder, ACS, ALB, VC2
Dallas Social Toastmasters**

Mark is an active and passionate club VPPR. He builds good relationships within the club as well as with prospective members, encourages mentorship, and maintains the club website and social media. He promotes social events (he is VP of Parties) at the physical venue location and on Zoom, as well as COVID awareness & knowledge. He also created, maintains and uses a guest email & text list, to provide past and current members and guests with meeting information along with any updates.

He is always attentive to the club and members' needs. He is always accessible for input and advice, answering all guest inquiries (from TM Intl site, as well as club site contact form & phone calls), and reaching out to all said inquiries and attending guests to make a personal connection and find out their needs and goals.

Outstanding Vice President Public Relations, Corporate Clubs

**Toankhoa Nguyen, PM1
Bank of America Texas Talkers**

Toankhoa Nguyen has taken on the responsibility of completing a meeting highlights pamphlet after each club meeting. He solicits input from attending members and guests and then publishes the meeting highlights that include a recap of the meeting, members and guests in attendance, the solicited input and other information such as next meeting date. This is sent out to all members, guests and others.

This pamphlet is appropriately branded with the Toastmasters International branding and includes Bank of America Texas Talkers Club #8941. This is a professional pamphlet that is effective in capturing the essence of the meeting, adds value by adding additional content, and effectively gets the information out to all members and guests to help capture those favorable moments. Khoa is putting in extra time and effort in creating this document after each meeting and he is excelling at creating and maintaining a good public relations image with members, guests and upper management.

He takes on roles at all meetings, progresses on his path, and is available to assist his fellow members.

Outstanding Vice President Membership

Eugenie Basu, EC3

Leadership Lambda

Eugenie quickly noted the difficulty of converting guests to new members in the zoom environment. Therefore, she proposed and developed a promotional offer that enabled her to give guests a reason to join now. The promotion worked well -- 4 new members during the term. Eugenie also provided excellent follow through with guests and potential guests that contacted us through our website. Not only that, she alerted all officers with guest's name and other details so we would be certain to provide welcoming environment for them during the meeting.

Eugenie participated in developing the Club Success Plan and helped ensure that we reached Distinguished status by December. She attended TLI training, weekly club meetings and monthly board meetings. She was always diplomatic, but she still made sure her opinions were heard. She made announcements about dues renewals and assisted the treasurer to ensure that payments were received and processed on time. Also, she assisted with significant outreach to former members to invite them to attend our Zoom meetings.

During her term, Eugenie provided a good example by filling club roles and working toward her Pathways goals.

Outstanding Vice President Education

Kris MacKay, IP5, VC5
Garland Toastmasters

As VP Education, Kris has assisted older members engage in Pathways successfully. He also went to their homes to set up their computers so they could participate in online zoom meetings and thereby continue their speeches. Kris works to be sure each member is on track with their speeches and that new members are quickly introduced to Pathways and give icebreaker speeches soon after joining. He keeps us up to date on our DCP status and encourages members to achieve their Pathways goals. Kris is a Toastmaster who has a heart for learning and growing as well as mentoring those around him to be the same.

Outstanding President

Martin Meletio, IP4 Leadership Lambda

During his term as president, Martin attended TLI training, club meetings, scheduled monthly zoom meetings for board meetings and fostered a very inclusive environment for all officers. He ensured everyone had a say in discussions and decisions. He also served as Contest Chair for our club's contests. He encouraged other officers and members to take on leadership projects such as overseeing the creation of the Club Success plan and some joint meetings with another club. His leadership helped to ensure that our club reached Distinguished status by December.

Martin was a fantastic cheerleader for members and guests during meetings. He was always very welcoming to guests and ensured that they were recognized at the beginning and closing of each meeting. He made sure that they had an opportunity to speak, if they wanted to do so. For members, he was always one of the first to provide positive reinforcement through Zoom chat.

Martin continues to set a great example to members by taking club roles and completing Pathways levels.

Outstanding Immediate Past President

Sai Kumar, DTM
Leadership Lambda

Sai has been our IPP for several terms because the previous president vanished mid-term. His leadership was key to providing a smooth transition to new term in July. He worked with our new President to ensure he could confidently fulfill his duties. He also ensured that mentors were quickly assigned to all new members and existing members who requested them.
